Make it Simple

We, at Jalaram Industries, stepped in the market with a visionary approach to take the quality standards of Polymer solutions beyond average standards. Being a responsible manufacturer & exporter, we are continuously working in a direction to innovate & design a unique quality of vast range, which holds the potential to meet every single expectation of the associated customers. The offered product portfolio by us encompasses Wood Edge Bands, Acrylic Edge Bands, PVC Edge Banding, Designer PVC Profile, PVC Edge band Glues and PVC Profile. Fabricated through highest grade material, we are bringing a value for money range, which is beautiful in appearance, have a long life in its segments and have constant upgradation in its respective quality.

The sole intention of ours is to keep bringing items that are modern & better yet economical class. Only priority of Jalaram is customers satisfaction to its fullest. We work stringently in those direction, that can potentially exceed the set expectations of individuals. Through all this, we are devoted to developing a brighter future for company, which is full of wealth, respect & prosperity.

## Quality That Matters

We manufacture items as per international standards to serve our prestigious customers in India, South Africa and Middle East. The purpose is to develop & serve products with quality that actually matters. Our quality policies are strictly driven through latest designs available on offline as well as online surfaces. We acquire state-of-art equipment & instruments in order to keep producing a much preferable range of Acrylic Edge Bands, PVC Profile, PVC Edge Banding, PVC Edge band Glues and Wood Edge Bands.

Furthermore, we inspect each final prepared item thoroughly based on their respective quality attributes. Packing and safe/timely shipment are our key quality features for the services associated with our offered range.

## Why Us?

The ones who seek for associating with Jalaram Industries,  
The prompt deliveries of each small, large or urgent order.  
The supply of only quality confirmed items to our end customers.  
The offered range within budget constraint prices.  
The acceptance of payments through any online/offline medium.  
The overall management with customer centric techniques.  
The business processes in professional, ethical & legal manner.
